you've arrived

- 1** On the first day of orientation, go with your resident adviser to the University Book Store to pick up your student ID/meal card.
- 2** Go to the post office to locate your mail box and to get a key.
- 3** If you have opened an account with Wachovia Bank, you may want to visit the campus branch to settle the matters of checks, etc.
- 4** If you are bringing a motor vehicle to campus, you must register it with the Department of Parking Management. The annual registration fee is \$95. Hours are Monday–Friday, 8:30 a.m.–4:00 p.m. Bring proof of vehicle ownership to verify license plate. Call 758-6123 if you have any questions. Register your bike at the satellite office in Davis.
- 5** Arrange to meet with your academic adviser. An appointment sheet will be posted on his/her door.
- 6** You will be assigned your computer network login ID and password at the ThinkPad Orientation Training.
- 7** Pick up a copy of the temporary telephone listings of all undergraduate students registered on campus; it is distributed through residence halls. A more comprehensive telephone directory is distributed in the fall. It has phone numbers for all the students, faculty, and staff as well as students' home addresses. There is a list of useful phone numbers in the back of this handbook.
- 8** Do not be lulled into a false sense of security on campus. There are occasional thefts and other unwanted incidents. Check to see if your family's homeowners' insurance will extend to cover your belongings on campus, and record the serial numbers of your valuables. Students are encouraged to have items engraved with their driver's license number and state abbreviation. Engraving tools can be borrowed from each residence hall RA or University Police.

9 Room security is your responsibility. You should lock your room and take your key with you.

10 The Sundry Shop is conveniently located on campus but is more expensive than off-campus stores. Stock up when you find a ride to a shopping center.

11 Don't buy textbooks until you are registered for classes and are sure of the books you will need.

12 Attend your first residence hall meeting. Your RA will discuss all of the safety rules including the announced fire drills each semester.

13 Bikes are stored on the first-floor level racks of the residence halls. They can still get wet, so you may want to bring a cover.

14 In addition to your personal bike identification, the Winston-Salem Police Department has a campus registration for bikes year-round. It's fast and free.

15 Athletic equipment may be checked out on the second floor of the gymnasium. Take your ID card.

16 Keep your eyes and ears open for what's happening. Check the information desk at the Benson Center or call 758-4422, the activity information line. And don't forget to pick up Old Gold and Black every Thursday.

DEAR OLD WAKE FOREST

GEORGE W. PASCHAL, CLASS OF 1892 (THURINGIAN FOLK SONG)

*Dear old Wake Forest, Thine is a noble name;
Thine is a glorious fame, Constant and true.
We give thee of our praise, Adore thine ancient days,
Sing thee our humble lays, Mother, so dear.*

*Dear old Wake Forest, Mystic thy name to cheer;
Be thou our guardian near fore'er and aye.
We bow before thy shrine, Thy brow with bays entwine,
All honor now be thine, Mother, today.*

Deacon fight song

O HERE'S TO WAKE FOREST

1. *O here's to Wake Forest
A glass of the finest
Red ruddy, Rhenish filled up to the brim.
Her sons they are many
Unrivalled by any
With hearts o'erflowing, we will sing a hymn.*

(Chorus)

*Rah! Rah! Wake Forest Rah!
Old Alma Mater's sons are we.
We'll herald the story
And die for her glory,
Old Gold and Black is ever waving high.*

2. *As frosh we adore her
As sophs we explore her
And carve our names upon her ancient walls.
As juniors patrol her
As seniors extol her
And weep to leave fore'er her sacred halls.*

HONOR SYSTEM

The honesty, trustworthiness, and personal integrity of each student are integral to the life and purposes of the Wake Forest community. This statement is embodied in one of our oldest traditions, and that is the honor system (or honor code, as some call it). When you signed your application for admission to Wake Forest, you agreed to live by the honor system at Wake Forest. In specific terms that means that you and every other student have agreed not to deceive (lie to) any member of the community, not to steal from one another, not to cheat on academic work, not to plagiarize academic work, and not to engage in any other forms of academic misconduct. It means that we can trust each other, and that we willingly accept responsibility for our own conduct and activities. This is a tradition that goes back to the founding of Wake Forest, and with your participation, it continues to be a cornerstone of our community and our interactions with one another.

STATEMENT OF PRINCIPLE

Wake Forest is a community of men and women that seeks the enlightenment and freedom which come through diligent study and learning. Its higher goal, however, is to give life to the University motto, “Pro Humanitate,” as the passion for knowledge is translated into compassionate service.

A tradition is shared that embraces freedom and integrity and that acknowledges the worth of the individual. This heritage, established by the founders and nurtured by succeeding generations, promotes a democratic spirit arising from open-mindedness and discourse.

Wake Forest fosters compassion and caring for others. Its collective strength and character are derived from the values and distinctive experiences of each individual; therefore, the richness of human intellect and culture is affirmed and its contribution to knowledge, faith, reason, and dialogue. Furthermore, Wake Forest strives toward a society in which good will, respect, and equality prevail. To that end, hatred and bigotry in any form are rejected, and justice, honor, and mutual trust are promoted.

A CHRONOLOGICAL HISTORY OF WAKE FOREST

Since 1834, Wake Forest College has developed its distinctive pattern of characteristics: tenacity, independence, a fierce defense of free inquiry and expression, and a concern that knowledge be used responsibly and compassionately. That these characteristics have served the school well is displayed by its growth from a small sectar-ian school to one of the nation’s significant private universities.

A brief history of Wake Forest is useful in understanding the University as it is today and appreciating the process through which it developed.

The history of the Demon Deacon blends tradition, sports, and religion. It goes back to the Roaring Twenties when a school reporter gave the football team the nickname "Demon Deacons" after a "devilish" win over the Trinity Blue Devils—now known as the Duke Blue Devils. At the time, Wake Forest was the only college in the state without a mascot. In 1941, Jack R. Baldwin ('43) took on a fraternity brother's dare and dressed up as he thought an old-time Baptist deacon would: top hat, tuxedo, and carrying a black umbrella. The football crowd loved it, and a tradition was born. In 1980, the Demon Deacon evolved into a complete costume with the large Deacon head.

how did the
Demon Deacon get to
be Wake Forest's mascot?

BEAR AND BELOLOLO CANCER FUND DRIVE

Established by students in 1980 in memory of a great Wake Forest athlete/alumnus and Chicago Bear football star who died of cancer. Each year, through a variety of creative events, students mobilize the campus community in raising awareness of and monies for cancer research and treatment.

CHRISTMAS LOVEFEAST AND CANDLELIGHT SERVICE

First presented in December 1965 in Davis Chapel at the suggestion of a Moravian student. After two to three years, the crowds became too large and the event was moved to Wait Chapel. Sponsored by the Chaplain's Office, it is now a standing-room-only tradition.

FACULTY ADVISERS' DINNER

During orientation, each new student and his/her advising group are invited to an informal dinner hosted by faculty and student advisers. This is a memorable time for many students and establishes the relationship between advisers and advisees which extends over the next two years (and beyond).

FALL NIGHT BREAKFAST

Faculty and administrators serve breakfast to students and provide entertainment during fall and spring exam weeks. Hundreds of students attend!

THE OLD CAMPUS

As a student, you shouldn't miss a chance to see the Old Campus. Wake Forest University began as Wake Forest Manual Labor Institute in 1834. It's just under a hundred miles from Winston-Salem to the quaint old campus in Wake Forest, N.C. During your visit, you will notice stark similarities between the present and past campuses. Some highlights include a smaller version of Wait Chapel, a well built by the Senior Class of 1911, and the original Shorty's. Now the campus hosts the Southeastern Baptist Theological Seminary.

directions to Old Campus

- At the University Parkway entrance, turn right onto University Parkway (which will turn into Cherry St.)
- Turn onto Business 40 East
- In approximately .60 miles, take I-85 North
- From I-85 North, take Hwy. 70 towards Wake Forest
- From Hwy. 70, take Hwy. 98 East, which turns into Hwy. 11
- Drive 21 miles on Hwy. 98 East to the Old Wake Forest Campus (on the left)

ROLLING THE QUAD

Although not unique (but controversial) to Wake Forest University, it started on the new campus in the early 1960s to celebrate athletic victories.

SENIOR ORATIONS AT COMMENCEMENT

Dates back to the Old Campus in the town of Wake Forest, N.C. There were two literary societies, and they competed for the Ward Medal. Senior orations continue at Commencement each year.

VOLUNTEERISM

Project Pumpkin

This is a service project started by Wake Forest students in 1989. Underprivileged children from the Winston-Salem community (numbering as many as 1,000) are brought to campus and escorted by student/faculty volunteers through residence halls for trick-or-treating, carnival games, and Halloween fun. It provides a valuable service and unifies the entire student community for a worthwhile event.

PRO HUMANITATE—HABITAT FOR HUMANITY

Started by Student Government as a campuswide program to live out the motto of the University. Students have built two houses, one in 1992 and one in 1995, for needy families in the Winston-Salem community.

A tour of Wait Chapel is something that every student at Wake Forest should do. Not only is the chapel a symbol for Wake Forest, but it also has a great deal of interesting history behind and within it. If you're lucky, you may be able to see and hear John Acker play The Janet Jeffrey Carlile Harris Carillon on your tour. The Carillon, made up of 48 bells and weighing almost 12 tons, was donated in 1978 by Charles U. Harris, who graduated from Wake Forest in 1935. It is one of fewer than 25 carillons in North America.

An additional bonus of the tour is the spectacular view from the Carillon tower. Although the ground level of Wait Chapel doesn't offer the same view, it still has an interesting history. You might learn about some special gifts given to Wake Forest, the contents of the cornerstone, and mistakes in the organ grille. Don't graduate without a tour of Wait Chapel.

administrative offices

During your stay at Wake Forest, it is very likely that you will do more than just study. During your "free" time, you will run errands and get involved in the various co-curricular activities. This brief section will help you find your way around some of the administrative offices on campus as well as some of the offices in the Division of Student Life. Most are in Reynolda Hall and the Benson Center.

THE PRESIDENT

211 Reynolda Hall, 5213

President Thomas K. Hearn Jr. is Wake Forest's twelfth president, beginning his tenure in 1983. As president, Dr. Hearn is responsible for the overall direction and management of the University, and he represents the University to the Board of Trustees.

Senior Vice President Edwin G. Wilson serves as the chief academic officer of all the academic departments of the University, with the exception of the School of Medicine. The deans of the College, management school, law school, divinity school, and Graduate School of Arts and Sciences report to him.

104 Reynolda Hall, 5311

Dean Paul D. Escott and five associate deans are responsible for the quality and integrity of the academic program of the College. This office conveys the policies and decisions of the College faculty to students and assists students in approaching the faculty with particular academic requests. The dean's office works with individual professors in guiding students through the curriculum. Acting for the Committee on Academic Affairs, it receives petitions from students for withdrawal, readmission, and course changes, along with questions about many other academic matters. On behalf of the Judicial Council, it receives appeals to that body. The office also administers such standardized tests as the LSAT, GMAT, and GRE.

104 Reynolda Hall, 5311

Dean Paul N. Orser works with the orientation committee to plan and facilitate first-year orientation. The dean also oversees faculty advising for first-year students. This office helps provide a smooth transition to life at Wake Forest for first-year students; pertinent concerns should be directed to the dean of freshmen.

OFFICE OF THE DEAN. WAYNE
CALLOWAY SCHOOL OF BUSINESS
AND ACCOUNTANCY

1111 Calloway Hall, 5027

Dean Jack Wilkerson and his staff carry out the School's policies and procedures necessary to admit majors in business, accounting, analytical finance, or mathematical business; coordinate academic advising and record-keeping; establish course schedules and faculty assignments; manage facilities and equipment; and interact with Wake Forest College and other offices of the University, such as the registrar, career services, and admissions and financial aid.

OFFICE OF THE REGISTRAR

1110 Reynolda Hall, 5206

Registrar Margaret Ruthven Perry oversees registration and, in collaboration with the dean of the College, puts the course curriculum together for each semester. The two phases of registration are early registration for major and minor courses and two preferred courses for freshmen and sophomores. The completion of registration occurs in August. Following registration, a student wishing to add or drop a course must see the registrar, get approval from their advisor and the course instructor, and on occasion the dean of the College. All academic records, transcripts, class schedules, grade reports, are kept on file in this office. Additionally, the registrar's office provides enrollment certifications for graduation, NCLTG, continuing athletic eligibility and enrollment, and veteran certification.

FINANCIAL AND ACCOUNTING
SERVICES

107 Reynolda Hall, 5234

Controller Maureen L. Carpenter supervises all of the financial matters at Wake Forest. Students pay tuition and most bills (including parking tickets) here. Loan checks need the endorsement of the controller's office.

Need-based aid

4 Reynolda Hall, 5154

William T. Wells, director of financial aid, works with students applying for or seeking advice concerning need-based grants, scholarships, loans, and work-study from federal, state, and Wake Forest sources. Dr. Thomas O. Phillips, associate director of admissions, works with students applying for merit-based scholarships.

RON WELLMAN, DIRECTOR

101 Athletic Center, 5616

Eighteen varsity sports, nine each for men and women, represent the University on the NCAA Division I level while competing in the nationally recognized Atlantic Coast Conference. These sports consist of baseball, basketball, cross-country, football, golf, soccer, tennis, and indoor and outdoor track for men; and basketball, cross-country, field hockey, golf, soccer, tennis, indoor and outdoor track, and volleyball for women.

Housed within the building are a number of student organizations and administrative offices, conference and meeting rooms, a meditation room, an aerobics and conditioning room, fitness center, food court, Pizza Hut, film theater, game room, photo darkrooms, and an art gallery. Study lounges, outdoor patios, and balconies are located throughout the building. Shorty's, a popular student hangout located within the food court, features Starbuck coffees, desserts, and other refreshments. Fax and copying services are available for a nominal fee through the BUC administrative office. Discount movie tickets to local theaters, fitness center passes (for visiting guests of Wake Forest students), WFU Secret Artist Series and Student Union movie passes, lockers, banner paper, and poster paper are also available.

The BUC hosts a monthly talk-show program, the "Discovery Series," which features special guests from the faculty and student body to discuss and explore current topics of interest. The center also hosts a unique, annual holiday program called the "Holiday Festival of Lights." Portions of many other Universitywide events—such as Orientation, Family Weekend, Homecoming, and Campus Day—also occur in BUC.

STUDENT UNION, JAMES BUCKLEY ADVISER

335 Benson Center, 5697

The Student Union plans and promotes a wide variety of social and educational activities. The Student Union Program Council, composed of selected executive officers and committee chairs, provides an opportunity for students to work together and have fun as they manage projects and watch ideas take form. The organization has divisions which plan films, concerts, lectures, trips, dances, arts programs, and participate in the planning of major campus events like Homecoming and Family Weekend. The Student Union also manages the Student Union Collection of Contemporary Art which is displayed throughout the Benson University Center. Membership on Student Union committees is open to all Wake Forest students.

UNIVERSITY POLICE REGINA G LAWSON, CHIEF

Main Office, Ground Level, H.S. Moore Building; Communications, Prevention, Education, and Student Shuttle, Davis Hall Sub Station, Room 016 wfpolice@wfu.edu

The Wake Forest University Police Department is comprised of forty professional men and women whose purpose is to provide a safe environment in which students and employees may live, learn, and work. The professionally trained department consists of police officers, traffic control officers, security guards, communications officers, and support staff. The primary concern of the department is to protect and assist the campus community. It operates 24 hours a day, 365 days a year, watching for circumstances that threaten the campus and taking appropriate action. The University Police also offer an extensive series of educational and personal safety programs to the University and local communities.

All police officers at Wake Forest University have completed the Basic Law Enforcement Training required by the State of North Carolina, which certifies them as sworn police officers. They possess full investigative and arrest authority on any property owned by the University and any contiguous streets or highways. In addition to traditional patrol, the University Police also utilizes foot patrol officers and bicycle

patrol officers. Foot and bicycle patrol allow for greater interaction with the campus community and are a critical element in the Community-Oriented Policing Program. Campus Police cars and bicycles are emergency vehicles and have the right-of-way when responding to emergency calls. Bicycle patrol has the right-of-way on and off the road way.

A complete reporting of campus criminal statistics is available in the University Police's Guide for Students, Parents, Employees, and the Public.

The protection of life and property on campus requires the understanding and active participation of all members of the University community. Reporting of actual or suspected criminal incidents, questions concerning personal crime prevention techniques and educational opportunities, or any area in which the University Police may be of assistance should be directed to the appropriate phone.

Volunteer services seeks to provide curricular and co-curricular opportunities that cultivate responsibility and civic-mindedness of students, faculty, and other University constituents. Programming efforts include: international service trips, campuswide service projects, assistance with service-learning courses, a resource library on long-term volunteer opportunities, clearinghouse for local volunteer programs, and advising service organizations such as the Volunteer Service Corps. This office coordinates programs that encourage reflection upon service and undervalued citizens in an effort to promote a lifelong commitment to public service. Students, faculty, administrators, and organizations are encouraged to consult Volunteer Services for service projects and programs.

student health services

Dr. Cecil Price, director

Kitchin Hall, 5218 health@wfu.edu

The Student Health Services promotes a healthy lifestyle through health education and health maintenance. A physician-directed medical staff offers urgent care, illness care, physical examinations, counseling, limited psychiatric care, allergy injections, immunizations, gynecological services, pharmacy/laboratory services, sports medicine clinic, referral to specialists and confidential HIV testing.

A full staff is available by appointment during clinic hours: 8:30 a.m.–noon; 1:30 p.m.–4:00 p.m., Monday–Friday. A limited staff is available for urgent care and observation twenty-four hours a day, seven days a week, when school is in session during the academic year. The services of the staff are covered by tuition. There is a charge for medications, lab tests, in-patient observation, and some supplies and services.

Information about a student's health is not released to University officials, friends, family members, or therapists and physicians not involved in the student's immediate care without the student's permission.

HEALTH INFORMATION

"On-line" health information is available from the WFU Student Health Service through the World Wide Web at URL:<http://www.wfu.edu/Student-Services/Student-Health-Service>

The health service does not issue statements or excuses for class attendance. Verification of consultation in the Student Health Service may be obtained by faculty by telephone.

HEALTH INSURANCE

All Wake Forest students are required to have health insurance. Wake Forest offers student health insurance through ABCO 100 at a

reasonable cost. Information concerning the insurance will be mailed directly to your home address. If you do not receive the information, call ABCO: 1-800-222-5780.

INCLEMENT WEATHER

When the University is closed due to inclement weather, the Student Health Service will have limited staff and will be able to provide care only for injuries and urgent illnesses. Appointments will be rescheduled.

RETENTION OF MEDICAL RECORDS

Student medical records are destroyed ten years after the last visit at the Student Health Service. Immunization records of students entering after 1985 will be kept longer.

HEALTH INFORMATION SUMMARY

All students are required to have on file in the Health Service the WFU Student Health Service Health Information Summary.

IMMUNIZATION POLICY

Wake Forest University and North Carolina state law require that all new, transfer, readmit, unclassified or visiting students, except those with a valid exemption, submit certification of certain immunizations **PRIOR TO REGISTRATION**. Documentation should be on or attached to the completed health summary form provided by the Student Health Service in order to assure correct identification of the student. Acceptable documentation is a statement signed by the appropriate official(s) having custody of the records of immunization, such as a physician, county health department director or a certificate from a student's high school containing the approved dates of immunizations.

The American College Health Association recommendations and North Carolina state law require certification in accordance with the following:

Required:

1. **Tetanus and Diphtheria (Td)** Students must document a Td immunization series and a booster within ten years of enrollment.
2. **Rubeola (Measles)** Students must document two doses of live virus measles vaccine given at least thirty days apart, on or after their first birthday (after 3/21/63**) unless (a) they have a physician's certificate which states that they have had measles prior to 1/1/94, (b) they were born prior to 1/1/57, or (c) they have documentation of a titer indicating they are immune.
3. **Rubella (German Measles)** Students must document that they have had one dose of live virus vaccine on or after their first birthday (after 6/9/69*) unless (a) they have documentation of a titer indicating they are immune, or (b) they will be fifty years old before they enroll. History of the disease is not acceptable.

4. **Mumps** Students must document that they have had one dose of live virus mumps vaccine on or after their first birthday (after 12/28/67*) unless (a) they were born before 1/1/57, or (b) they have documentation of a titer indicating they are immune. History of the disease is not acceptable.
5. **Polio** Students must document that they have had trivalent polio vaccine unless they will be eighteen years old or older when they enroll. A booster is recommended for students traveling to countries where polio is endemic.
6. **Tuberculin Skin Test** The test is required within twelve months of the University registration date. If the student is known to be tuberculin-positive or if this test is positive, attach a record of treatment.

Recommended:

1. **Hepatitis B** A three-dose series of the vaccine is recommended by the Centers for Disease Control.
2. **Varicella** The two-dose series is recommended. Discuss with your health provider.

Immunizations required under North Carolina law must be documented within thirty days following registration. After that time, students with incomplete documentation of immunizations will not be permitted to attend classes. Please note that some series require several months for completion.

HUMAN IMMUNODEFICIENCY VIRUS (HIV) INFECTION POLICY

Human immunodeficiency virus is the infectious agent which causes acquired immunodeficiency syndrome (AIDS). HIV primarily affects immune system white blood cells, and the degree of the resulting compromise of the immune system determines

an infected person's clinical status. Anyone infected with HIV is infectious to anyone with whom he or she has unprotected sexual intercourse or shares blood. A protective vaccine has not been developed. Limited treatment which may delay AIDS manifestations is now available; therefore, clinical testing of persons involved in risky behaviors is encouraged. HIV infection is a continuum ranging from no obvious disease, to recurring infections with remissions, to deterioration, to death. Studies to date indicate that almost everyone who is infected with HIV eventually develops AIDS.

Transmission of HIV has only been documented through unprotected sexual intercourse, blood and blood product exchange (primarily by sharing contaminated needles when using intravenous drugs), and from HIV-infected pregnant women to their infants. HIV infection is not spread by casual contact; therefore, persons infected with HIV do not pose any risk of HIV infection in routine social, occupational, educational, or recreational settings.

In view of the scientific evidence about how HIV can and cannot be transmitted by asymptomatic and symptomatic persons, the following policies apply to members of the Wake Forest University (Reynolda Campus) community:

1. Members of the Wake Forest University community will receive updated information on HIV infections, their outcome, transmission, and prevention. Dissemination of the information will be supervised by the Health Advisory Board.
2. Mass screening of community members for HIV infection is not indicated at the present time and will not be done.
3. Persons with any form of HIV infection should inform their health care practitioners of their infectious condition prior to assessment and/or treatment.
4. The need for accommodations and restrictions of HIV-infected persons will be determined on a case-by-case basis. Recommendations concerning each case will be made by the Health Advisory Board to the vice president for student life and instructional resources.
5. Clinical records of persons with HIV infection will be kept confidential in accordance with the University's record-retention policy, except as permitted or required by law or as authorized in writing by the patient. Public health officials will be informed of the existence of such cases as required by law.
6. HIV-infected individuals must conduct themselves responsibly for the protection of themselves and other members of the University community. Persons who refuse to comply with infection control measures as defined by North Carolina state law and as recommended by the medical staff of the Student Health Service will be referred to the vice president for student life and instructional resources.
7. Questions concerning the University's policy, educational information, or the treatment of cases will be referred to the Health Advisory Board. Members of the board include the directors of Student Health Service (chair), University Counseling Center, Campus Ministry, Office of Residence Life and Housing, a faculty member of the Division of Infectious Diseases at Wake Forest School of Medicine, a staff member of the Legal Department, a faculty member from the Reynolda Campus, the health educator, and a student member.

academic policies & information

This policy is intended to promote responsible and ethical use of the computing resources of Wake Forest University. In light of the contribution that computers can make to furthering the educational and other objectives of the University, it is in the best interest of the community that computing resources be used in accordance with practices which ensure that the rights of all users are protected and the goals of the University are achieved.

This policy applies to all computer and computer communication facilities owned, leased, operated, or contracted by the University. This includes word processing equipment, microcomputers, minicomputers, mainframes and associated peripherals and software, regardless of whether used for administration, research, teaching, or other purposes. This policy also extends to any use of University facilities to access computer facilities elsewhere.

It should be noted that system administrators of various on-campus and off-campus computing facilities, and those responsible for access to those facilities, may promulgate additional regulations to control their use, if not inconsistent with this policy. System administrators are responsible for publicizing any additional regulations concerning the authorized and appropriate use of the equipment for which they are responsible.

Basic Principles

As in all aspects of University life, a user of computing facilities should act honorably and in a manner consistent with ordinary ethical obligations. Cheating, stealing, making false or deceiving

statements, plagiarism, vandalism, and harassment are just as wrong when done in the context of computing as they are in all other aspects of University conduct. Individuals should use only those computing facilities they have been authorized through ordinary channels to use. They should use these facilities: in a manner consistent with the terms under which they were granted access to them; in a way that respects the rights and privacy of other users; so as not to interfere with or violate the normal, appropriate use of these facilities; and in a responsible and efficient manner.

University computing resources are not to be used for commercial purposes or non-University-related activities without prior written permission.

Individuals should respect the rights and privacy of other authorized users. Thus, they should respect the rights of other users to security of files, confidentiality of data, and the ownership of their own work. Users should refrain from:

- using the computer access privileges of others;
- accessing, copying, or modifying the files of others without their explicit permission;
- illegal copying of software or data; and
- harassing others in any way or interfering with their legitimate use of computing facilities.

Individuals should not attempt to interfere with the normal operation of computing systems or attempt to subvert the restrictions associated with such facilities. They should obey the regulations affecting the use of any computing facility they use.

Elaboration

The purpose of the following list is to aid in interpreting the principles espoused above. This list should in no way be construed as comprehensive. Examples of actions in violation of these principles are:

- copying of licensed or copyrighted software not permitted by law or by contract;
- sending harassing or libelous electronic mail;
- sending electronic mail fraudulently, for example, by misrepresenting the identity of the sender;
- utilizing a loophole in a computer's operating system or knowledge of a privileged password to damage a computer system or to gain access to a system or resource which one is not authorized to use;
- using University computing facilities for commercial purposes without prior arrangement;
- knowingly allowing another person to use your account privileges for improper purposes;
- turning in someone else's paper or computer program as your own work;
- allowing someone else to turn in your paper or computer program as their own work;
- reading someone else's electronic mail without their permission;
- using University facilities to gain unauthorized access to computer facilities off-campus; and
- intentionally using an abnormally large amount of resources, such as processing time or disk space, without prior permission.

Disciplinary Actions

Reasonable suspicion of a violation of the principles or practices described in this policy statement may result in disciplinary action. Such action will be taken through appropriate University channels such as administrative procedures, the Honor and Ethics Council and the Board of Investigators and Advisors, the Graduate Council, or other supervisory authority to which the individual is subject. Violation of state or federal statutes may result in civil or criminal proceedings.

Nothing in this statement diminishes the authority and responsibility of administrators of computing services to take remedial action in the case of possible abuse of computing privileges. To this end, system administrators, with due regard for the users' right of privacy and the confidentiality of their data, have the right to suspend or modify computer access privileges, examine files, passwords, accounting information, printouts, tapes, and any other material that may aid in maintaining the integrity and efficient operation of the system. Users whose activity is viewed as a threat to the operation of a computing system, who abuse the rights of other users, or who refuse to cease improper behavior may have their use privileges revoked. In the event that access to a system is revoked, users will be provided a copy of their files.

COURSE DROP/ADD

The last day in each semester for dropping a class without a grade of F is provided in the academic calendar published in the undergraduate bulletin and in the weekly calendar in this handbook. If you want to drop a class

before this date, get a form from the registrar and talk with your academic adviser.

If you want to drop a course after this date, talk with your academic adviser, the course instructor, and a representative of the office of the Dean of the College (or the Wayne Calloway School of Business and Accountancy, if you have been admitted to a major in that school). In conjunction with the instructor and the adviser, the dean's office staff will make a final decision on the disposition of your request to drop a course.

Follow the same basic procedure for adding classes. Here's a summary of the routine for drops and adds before the normal deadlines:

1. Obtain drop/add slips from the registrar for each course to be dropped and/or added.
2. Obtain signature of the professor whose course is being dropped.
3. Obtain signature of your academic adviser on each slip.
4. If you are adding a course that will give you over twenty credits, you must gain the concurrence of the office of the Dean of the College and, for requests of twenty-three or more credits, the permission of the Committee on Academic Affairs.
5. All full-time students must take at least twelve credits. Twelve credits per semester constitute minimum full-time registration. (Recipients of North Carolina Legislative Tuition Grants must be enrolled by the tenth day of classes for at least fourteen credits each semester. Recipients of veterans' benefits, grants from state government, and other governmental aid must meet the guidelines of the appropriate agencies.)

Each undergraduate student has a faculty adviser who assists with his/her course selection and registration each semester.

First-year students and sophomores are assigned a "lower division faculty adviser" for two years. Your faculty adviser and an upperclass student (student adviser) will meet with you individually and in small groups and will suggest and approve (faculty adviser) your course selection each semester until you declare your academic major at the end of your sophomore year. At that time, you will be assigned a new adviser from within the department of your major. You are strongly encouraged to seek out the assistance and advice of your adviser at any time during the year.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1. Right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the students of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be made.
2. The right to request amendment of the student's education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. The student should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosures without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement personnel and health staff); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

The following information regarding students is considered directory information: (1) name, (2) address, (3) telephone

number, (4) date and place of birth, (5) major field of study, (6) participation in officially recognized activities and sports, (7) weight and height of members of athletic teams, (8) date of attendance, (9) degrees and awards received, (10) the most recent previous educational agency or institution attended by the student, and (11) other similar information such as a photograph. Directory information may be disclosed by Wake Forest for any purpose in its discretion, without the consent of a parent of a student or an eligible student. Parents of students and eligible students have the right to refuse to permit the designation of any or all of the above information as directory information. In that case, this information will not be disclosed except with the consent of a parent or student, or as otherwise allowed by FERPA.

Any parent or student refusing to have any or all of the designated directory information disclosed must file written notification to this effect with this institution at the Office of the Registrar on or before September 1 of the current academic semester. Forms are available at that office.

If a refusal is not filed, Wake Forest assumes that neither a parent of a student nor eligible student objects to the release of the directory information designated.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, DC 20202-4605.

Each semester, periods of time are set aside to allow students to 1) pay all tuition and fees in full to the controller; 2) obtain a summary of prior academic records from the registrar; 3) consult with their academic adviser; and 4) section into courses. Students may pre-register for certain courses and sections.

As a condition of registration, each student is required to provide the University with information concerning the student's place of local residence (to include mailing address), telephone number, e-mail address, and other relevant information, and to notify the University of any changes.

In addition to the fall and spring academic semesters, there are two sessions of classes in the summer. The sessions are five and one-half weeks. Dates for summer sessions in 1999 are: Session I, May 25–July 1; Session II, July 5–August 7. Classes meet every day and occasionally on Saturday. Courses

are offered in most departments, and, in particular, those courses that meet divisional requirements. There are several overseas courses directed by Wake Forest faculty members. With appropriate approval, students may join other universities' overseas courses. The Office of International Studies helps students with those arrangements. Listings of all offerings are available from the Office of the Dean of the Summer Session in 102 Reynolda Hall; telephone (336) 758-5664; FAX: (336) 758-5933.

Early registration for Wake Forest students is April 20, 1999.

To be eligible to take summer courses at another institution, students must obtain a "Summer School Elsewhere" form available in the Office of the Registrar. Appropriate signatures must be obtained before enrolling off campus to be assured that the credit will transfer to Wake Forest. Students must have a cumulative GPA of at least 2.0 to take courses elsewhere. Some departments will not approve work at another institution.

social regulations & policies

Wake Forest University endorses as a basic principle of University life the concept of responsible student freedom, which carries with it the recognition by each student of the rights and obligations of other members of the University community.

The University encourages students to conduct themselves as mature men and women and invites them to participate in the formulation of rules and to assume major responsibility in judicial decisions. At the same time, all participants in University life must remember that, by the charter of the University, the Board of Trustees is ultimately responsible for the University and for its operation.

Wake Forest also expects its students to abide by local, state, and federal laws, as well as by generally accepted moral standards. Although the University's role is not to duplicate civil law enforcement or judicial action, it may exercise authority for reasons appropriate to its function as an educational institution.

In keeping with its historic concern for students individually and corporately, Wake Forest has a legitimate interest in their welfare in and out of class, on campus and off. The University is concerned with student actions that are inconsistent with student obligations to the educational community. When, in the opinion of the University, the conduct of a student at any place is reprehensible or detrimental to the best interests of that student, his or her fellow students, or the University, appropriate disciplinary action will be taken.

The University is concerned with the conduct of students beyond the campus. For many reasons, including the obvious impossibility of controlling off-campus behavior, it does not assume supervisory responsibility for off-campus activities. Nor does the University seek or support special treatment for those of its students who may be apprehended for violation of civil law. It does

regulate off-campus events of University-approved student organizations and insists that, at these events and elsewhere, reason and responsibility characterize student conduct. More importantly, it encourages a sense of propriety and an ideal of personal dignity to guide students in their associations and in their behavior.

Frequently, students attend or participate in events sponsored by or hosted by student organizations at other colleges. Sometimes student groups co-sponsor events with groups at other colleges. Wake Forest students and Wake Forest student groups must adhere to University policies and rules on such occasions. Where officials of another college or university notify Wake Forest of incidents giving rise to a claim of a Wake Forest honor code or social rule violation, the case shall be processed through the Wake Forest system.

Because of the proximity and the nature of the local relationships with Salem College and Winston-Salem State University, all three institutions have established mutual arrangements which acknowledge and respect the integrity of each's judicial system and student rights and responsibilities at each college. Hence, when Wake Forest officials notify Salem College or Winston-Salem State University of potential violations on the Wake Forest campus or at events sponsored by Wake Forest groups, the case shall be processed through the student's home college system. The philosophy of Wake Forest concerning student freedom is summarized in the following:

Wake Forest believes in individual freedom, not as a right but as a responsibility... freedom to be and, more important, to become. Attendance at Wake Forest is a privilege, not a right. The University's traditions and principles, accepted by each student in his or her voluntary registration, evolve from the core of this indivisible concept of

freedom and responsibility. Therefore, it is assumed that the student who elects to come to Wake Forest does so with the intent of being in fact and in spirit a cooperating member of this community.

Although great responsibility rests upon the student for his or her own conduct, the Board of Trustees has specifically charged the faculty and the administration with responsibility for prescribing requirements for the orderly behavior and government of all undergraduate students. The faculty and administration, acting alone or in consultation with the Student Government, establish specific conduct regulations and provide for their enforcement.

The University judicial system is jointly administered by the dean of student services, the judicial officer and the Honor and Ethics Council. A complete description of the judicial system, including a flow chart and a statement of individual rights and judicial procedures, is contained in the Student Government handbook which is available in the Offices of Student Government and Student Life.

The Board of Trustees has empowered the president with the authority to suspend students from the University in "cases of clear and present danger to lives and property... and in instances of violence to persons..." Such suspensions are to be reviewed by the regular judicial bodies within fourteen school days.

PERSONAL CONDUCT

All members of the Wake Forest community strive to live in and promote an atmosphere which not only recognizes individuality, but also fosters a spirit of collegiality, respect for the rights and privileges of others, and responsibility for our individual and group actions. When these community expectations are not met because of individual or group actions, it is the responsibility of the Student Judicial System and/or

the University to determine, in a truth-finding manner, the nature and extent of infractions, and to seek fair, consistent, and equitable sanctions. Where appropriate, the use of creative, educational, and case-specific sanctions is encouraged.

Students should be mindful of the University's expectations regarding their academic and social behaviors. The University will continue to discourage repeat violations by various means including imposition of additional sanctions for prior violations, loss of on-campus housing, suspension, or expulsion.

With respect to repeated infractions of social or community responsibility involving alcohol, suspension from the University will be considered in every case after the second violation.

Keycard Information The University maintains a keycard access system for the purposes of securing student residences. Information contained in the keycard system database is not available for use by University officers in honor or judicial cases unless substantial cause is demonstrated or an accused student requests his/her own access record. A demonstration of substantial cause exists when the vice president of student life or his/her designated representative believes that members of the campus community will be endangered without such disclosure.

Each student should be aware of and responsible for the following rules and regulations as well as the policies stated in the Residence Life and Housing Guide to Community Living:

1. The Honor Code of Wake Forest concerns itself with the whole of campus life. Consequently the Honors and Ethics Council hears charges ranging from cheating and plagiarism in the academic setting to stealing, dishonesty, and other deceptive acts committed in the broader community. For instance, providing false identification is considered a violation of the Honor Code.

2. Any activity which destroys or defaces property or grounds, at the University or elsewhere, is prohibited. This includes walking on or engaging in sports on the grass of the Plaza (Quad).
3. Removal of books from the library without following proper checkout procedures or by misuse of identification is prohibited. The use of emergency fire doors to exit the library building is prohibited and will be considered a serious violation of University policy, except in case of a fire emergency.
4. Gambling is prohibited.
5. Indecent exposure and illicit sexual activity are prohibited.
6. Verbal abuse and/or harassment are prohibited. Verbal abuse is the use of obscene, profane or derogatory language which abuses or defames another person. Harassment is any action, verbal or nonverbal, intended to annoy or disturb another person. This may be a single incident or a series of incidents. (For cases of abuse and/or harassment with aggravating circumstances see sanctions on page 36.)
7. Intoxication and other forms of alcohol abuse (see definition on page 43), driving while impaired, public consumption, or public display of alcoholic liquors, wines, or beer in residence halls or elsewhere on campus is prohibited. Students are subject to state and federal regulations concerning the use of alcohol. Alcohol consumption and actions that accompany such consumption will not be seen as an excuse for inappropriate and harmful behavior.

For instance and specifically, Driving While Impaired is a separate offense and carries its own significant sanctions which are cumulative with sanctions imposed in other relevant offenses. This is in recognition of the material risks to which the impaired driver is exposing the community. A campus DWI charge does not exempt students from external legal action.

Public display is defined as the possession and/or consumption of alcoholic beverages in any public or unregistered area on campus. This includes classroom buildings, the Benson University Center, Reynolda Hall, the library, the gymnasium, Wait Chapel/Wingate Hall, areas outside buildings including lawns, courtyards, balconies, and playing fields, grounds and buildings of Reynolda Gardens, all residence hall formal parlors, common lounges and sun decks.

8. Use, possession, manufacture, sale, distribution of, transportation of illegal drugs (cocaine, marijuana, heroin, crack, ice, etc.) and drug paraphernalia is prohibited. Students found to be involved in its use, possession, manufacture, sale, distribution, or transportation, on or off campus, will be subject to disciplinary action which may include dismissal from the University. Parents will be notified. Refer to Substance Abuse Policy and Program section (page 44) for background and sanctions.
9. Hazing, physical abuse, or threat of physical harm in any form is prohibited.
10. Sexual assault, abuse, or harassment is prohibited.
11. Failure to comply with the directions of University officials (police, residence life and housing staff, etc.) acting in the performance of their duties is a serious offense. Such conduct as failure to provide ID and disrespectful, uncooperative, abusive or threatening behavior will be dealt with severely.
12. The use and/or possession of pyrotechnics and other explosives is not permitted anywhere on campus.
13. Deadly weapons of any type are prohibited everywhere on campus except for use in the Department of Military Science. Examples include (but are not limited to): BB guns, stun guns, air rifles, air pistols, paintball guns, bowie knives, dirks, daggers, slingshots, leaded canes, switchblade knives, blackjacks, metallic knuckles, razors and razor blades (except solely for personal shaving), and any sharp,

- pointed or edged instruments, except instructional supplies, unaltered nail files and clips, and tools used solely for preparation of food, instruction, and maintenance.
14. Unauthorized entry or occupation of any University facility which is locked, closed to student use, or otherwise restricted as to use, is prohibited.
 15. Disorderly conduct: Any behavior which disrupts the regular or normal functions of the Wake Forest University community, including behavior which breaches the peace or violates the rights of others, is prohibited.
 16. Wake Forest students are responsible for conducting themselves so as not to bring disrepute to the University. Conduct or activity by members of the student body living in, or hosting functions at, off-campus locations which has the effect of unreasonably interfering with the rights of neighbors is prohibited. This standard of conduct recognizes and affirms a responsibility, similar to that of students living in residence halls or theme housing, to respect the rights of others. It also recognizes the duty of Wake Forest students who are residents of off-campus rooms/ apartments/houses to control the nature and size of activities carried out in or on their premises consistent with the standards of the University.
 17. Intentional disruption or obstruction of teaching, study, research, administration, disciplinary procedures, or other University activity, is prohibited.
 18. Any unauthorized activity on University property which affects the University's pursuit of its mission is prohibited.
 19. The solicitation of sales, services, memberships, or gifts on campus, without permission of the dean of student services, is prohibited.
 20. Federal law restricts the use of copyrighted video, audio, or computer material. Any organization or student using such material should be certain that its use conforms to this law.
 21. Contempt of the judicial process, including failure to appear for a judicial hearing or failure to observe and comply with judicial sanctions, is an offense.

Sanctions

Sanctions imposed as a result of community/social responsibility or honor system violations become a part of the student's record that is maintained in the Office of the Dean of the College. Parents, guardians, and other interested parties will be contacted on a "need-to-know" basis in cases of non-compliance with sanctions. Sanctions will be doubled and other appropriate actions taken in instances of non-compliance. Although transcripts of the permanent education record are normally issued to students upon written request, they may be withheld where there are unpaid financial obligations to the University or other unresolved issues. Notwithstanding the judicial process, the University reserves the right to take appropriate action in matters involving loss of, or damage to, University property, etc. The following list provides presumptive sanctions for violations of social and community responsibility. Ordinarily these presumptive sanctions will be invoked unless the hearing body believes that other aggravating or mitigating circumstances are involved. Presumptive sanctions for such incidents as rape, sexual assault, and assault are not provided due to the nature and complexity of these occurrences.

ORGANIZATIONAL CONDUCT

While the Student Life Committee formulates and sets University policy for all student organizations, the primary authority for the supervision and administration of organizational conduct resides in the Division of Student Life. Individuals who join together as a student organization to share common interests and purposes also collectively share a common responsibility to themselves, their group, and the University. They must ensure that individual members or groups of members reflect favorably upon their community. Group leaders bear a special responsibility for ensuring that constituents recognize and embrace these values in carrying out the group's mission. A group cannot ignore or escape its responsibility for the actions of its members.

A. GENERAL PRINCIPLES OF GROUP RESPONSIBILITY

Although not all acts of individual group members can or should be attributable to the group, any group or collection of its members acting in concert should be held responsible for its actions. Occasional lapses of individual members or isolated individual failures in restraint should not be chargeable to the group, but evidence of group conduct exists where:

1. Members of the group act in concert to violate University standards of conduct.
2. A violation arises out of a group-sponsored, financed or endorsed event.
3. A group leader(s) has knowledge of the incident before it occurs and fails to take corrective action.
4. The incident occurs on the premises owned or operated by the group.
5. A pattern of individual violations is found to have existed without proper and appropriate group control, remedy, or sanction.

6. Members of a group act in concert, or the organization provides the impetus (probable cause) for violation of University rules and regulations.

In determining whether a group may be held collectively responsible for the individual actions of its members, all the factors and circumstances surrounding the specific incident will be reviewed and evaluated. As a guiding principle, groups will be held responsible for the acts of their members when those acts grow out of, or are in any way related, to group life.

Every organization has the duty to take all reasonable steps to prevent any infraction of University rules and state laws growing out of or related to the activities of the organization. This duty is applicable not only to members of the organization who are engaging in the activity, but is applicable to every member, including those not engaging in the activity.

Thus if a number of members are involved in misbehavior growing out of their association or membership in the group, even if no other members are around to prevent the action, the organization will still be held collectively liable for the misbehavior so long as it grows out of the life of the organization. All members should be aware that their misdeeds may result in the sanctioning of their entire organization and themselves as individuals.

B. RESIDENTIAL GROUP RESPONSIBILITY—ADDITIONAL PRINCIPLES

Residential groups will be held responsible as a body for failure to meet obligations; they cannot, on the one hand, be extended autonomy and be supported by the University and, on the other hand, fail to take responsibility for actions resulting from that freedom.

1. The University allows to residential and student groups the opportunity for a great deal of freedom in the organization of their social lives, and in return assumes that these bodies will promote and practice high standards of responsible behavior. It is

the responsibility of the officers, or governing bodies, to establish a social environment which will encourage serious study and respect for the privacy of each member, provide social functions consistent with good taste, and administer appropriate and immediate control over those students who do not adhere to these standards.

2. Residential groups are not held responsible for the occasional lapses of individual members, but any group which fails to maintain social decorum, incurs damages to property, allows wanton or obscene conduct to go unchecked, gives encouragement or shows indifference to or disregard of University regulations, or consistently indulges in irresponsible or disorderly activity, is open to warning, fine, probation, suspension or expulsion.
3. Included among the responsibilities that residential groups must accept are the enforcement of all fire laws, rules, and specifications; the proper use of fire-fighting and prevention equipment; prevention of, damage to, or destruction of property and maintaining the residential buildings to provide at all times a sanitary, clean and safe environment. It is expected that group self-enforcement will be sustained by persuasion, and censure, suspension, fine, and expulsion, when necessary.
4. The specific fulfillment of corporate social responsibilities in compliance with University rules includes:

a. Social Decorum

At all social functions, whether involving alcoholic or dry beverages in nature, appropriate social decorum must be maintained by the corporate influence of the residential group and its officers.

b. Moral Decorum

Immoral or obscene behavior is unacceptable to the University.

c. Sexual Harassment

All student organizations are responsible for promoting an environment free from sexual harassment both within

their organizations and on campus through policies and practices which affirm the dignity of each student, regardless of gender.

d. Privacy

Each residential group is responsible for the maintenance of an atmosphere suitable for study, privacy, and rest, according to the rules of the residential buildings.

e. Alcoholic Beverages

A residential group is held responsible for any corporate activity which encourages its members or guests to drink alcohol immoderately, which results in any injury to persons or damage to property, or violates University rules and regulations, or is in violation of the law. Isolated individual failures in restraint are not chargeable to the group. However, any residential group is liable to disciplinary measures if it fails to show active concern for those who are unable to drink without injury to themselves or others, or offense to society.

f. Group Housing

The University's Statement of Mission and Purpose defines Wake Forest College as a residential campus with a distinctive nature which is conducive to learning and interaction. Because the University has an obligation to preserve its distinctive residential character while assuring the general safety and well-being of student residential groups, all residential organizations shall reside in University or University-approved student housing and shall be subject to all rules and regulations governing residential life and housing. Residential organizations shall be defined as a set of students who reside together and are members of a group (recognized or not) which has some organized structure, ongoing existence and central purpose.

g. Lounge Space

The University provides lounge space for use by recognized groups on a short-term or long-term basis according to policies

established by the Student Life Committee. Lounge space and block housing allocations for student groups are subject to periodic review by the Student Life Committee. Such reviews are based on an assessment of the organization's past and potential contributions to the intellectual, cultural, and social purposes of the University community. A complete description of the leased lounge and block housing review process is available in the Office of Residence Life and Housing. The use of off-campus facilities for social purposes on an ongoing basis shall be subject to approval by the University and in conformity with University rules for such kind of activities.

h. Reporting

It is corporate responsibility to promptly report to the appropriate University authority any serious illness or injury, whatever the cause, which may affect the health, safety, and welfare of the residents.

C. GROUP DISCIPLINARY PROCEDURES

The dean of student services has the responsibility of hearing all cases of group violations. The dean has the prerogative to utilize an investigator and/or the Group Advisory Panel in reviewing and acting upon cases involving organizational conduct. Before a hearing, the dean shall notify the chair of the Student Life Committee of any charges against a group, the facts supporting the charge, and the dean's interest in hearing and deciding the case.

The dean may choose to delegate all or part of the case to the Group Advisory Panel for review and recommendation. Upon receiving recommendations from the Group Advisory Panel, the dean may accept, reject, modify, or incorporate such recommendations into his decision.

Upon petition of appeal by the group within ten days after the decision, the Committee may review the dean's decision if error is reasonably asserted by the group. Determination of such error is based on the

fairness of the hearing, or the sufficiency of evidence to support judgment, and on the appropriateness of sanction. The dean or committee has the authority to institute the sanctions of "warning," "probation," "suspension," or "loss of recognition." Copies of the complete text of the University position on organizational conduct are available in the student life office.

AND

National social Greek-letter sororities and fraternities comprise an integral part of the undergraduate campus community. Recognizing that membership in a sorority or fraternity can be of significant educational value, the University supports the concept that such membership offers a distinctive developmental option for students. The sororities and fraternities share responsibility with the University for facilitating the learning process for all students and for cultivating an environment which enriches their educational experiences.

To help guide and support the Greek-letter organizations in the pursuit of their ideals and the educational mission of the University, the Student Life Committee has established a series of Principles and Policies Governing Greek Life. Included in these principles and policies are statements regarding Rush, pledge education, group housing, race and sexual harassment issues. Copies of these principles and policies are available through the Office of Student Development.

NON-DISCRIMINATION STATEMENT

Wake Forest University is committed to administer all educational and employment activities without discrimination because of race, color, religion, national origin, age, sex, veteran status, handicapped status or disability as required by law. In addition, Wake Forest rejects hatred and bigotry in any form and adheres to the principle that no person

affiliated with Wake Forest should be judged or harassed on the basis of perceived or actual sexual orientation. In affirming its commitment to this principle, Wake Forest does not limit freedom of religious association or expression, does not presume to control the policies of persons or entities not affiliated with Wake Forest, and does not extend benefits beyond those provided under other policies of Wake Forest.

The University has adopted a procedure for the purpose of resolving discrimination complaints. Inquiries or concerns should be directed to Harold Holmes, dean of student services, at (336) 758-5226; Paul Escott, dean of the College, at (336) 758-5505; or Gloria C. Agard, assistant director of human resources and Title IX coordinator, at (336) 758-4814.

STUDENT COMPLAINTS

Situations may arise in which a student believes that he or she has not received fair treatment by a representative of the University or has a complaint about the performance, actions or inaction of the staff or faculty affecting a student. The procedure for bringing these issues to the appropriate person or body is outlined below. Students are encouraged to seek assistance from their advisers or another member of the faculty or staff in evaluating the nature of their complaints or deciding on an appropriate course of action.

A complaint should first be directed as soon as possible to the person or persons whose actions or inactions have given rise to the problem—not later than three months after the event. For complaints in the academic setting, the student should talk personally with the instructor. Should the student and instructor be unable to resolve the conflict, the student may then turn to the chair of the involved department (the dean in the Calloway School) for assistance. The chair

(or dean) will meet with both parties, seek to understand their individual perspectives, and within a reasonable time, reach a conclusion and share it with both parties. Finally, a student may appeal to the Committee on Academic Affairs which will study the matter, work with the parties, and reach a final resolution.

Students having complaints outside the academic setting, and who have been unable to resolve the matter with the individual directly involved, should process the complaint in a timely manner through the administrative channels of the appropriate unit. Students uncertain about the proper channels are encouraged to seek advice from faculty advisers, deans' offices, or the Office of the Dean of Student Services. Complaints which rise to the level of a grievance (as determined by the earlier steps in the process) may be heard as a final appeal before a committee chaired by the assistant to the president, which will include a representative of the faculty and a member of the student body. The grievance must be filed in writing. Grievances not deemed frivolous by the committee will be heard. The student may be assisted during the hearing by a member of the University community.

The complaint/grievance process outlined above is meant to answer and resolve issues arising between individual students and the University and its various offices from practices and procedures affecting that relationship. In many cases, there are mechanisms already in place for the reporting and resolution of specialized complaints (harassment and discrimination for instance), and these should be fully utilized where appropriate. Violation of student conduct rules or the honor system should be addressed through the judicial process specifically designed for that purpose.

RAPE AND SEXUAL ASSAULT

Rape is a crime of violence. It is the responsibility of each individual in the University community to become educated about such crimes. The presumptive sanction for rape is expulsion from the University.

Rape is defined as (1) forced sexual intercourse against the will of another person; or (2) sexual intercourse with a person who is mentally incapacitated or physically helpless. "Force" can be implicit through use of threatening words, gestures, or tone of voice, or explicit through actions, physical restraint, or force. Acquaintance rape is forced intercourse by someone the person knows. Sexual assault is defined as any incident of forcing another person to perform a sexual act against his/her will. Rape and sexual assault include instances of sexual activity with a person under the influence of drugs or alcohol who may be found legally incompetent to give consent.

Any member of the Wake Forest community who believes he/she has been raped or sexually assaulted is strongly encouraged to seek support and get immediate medical help. One should call a Student Advocate (a student who has received extensive training in assisting other students who have been raped or sexually assaulted), the University Counseling Center, or the Sexual Assault Response Program, a 24-hour rape crisis service sponsored by Family Services of Winston-Salem (722-4457). One should also contact the Student Health Service or a local hospital. It is critical that one seek medical attention as soon as possible. Finally, a rape victim should report the incident to University Police for their own protection and that of the community. Timely reports increase the likelihood that critical evidence will be obtained.

The decision to prosecute through either the judicial system or through other legal

channels rests with the victim. While students are encouraged to report any sexual assault as soon as possible, they may initiate University judicial proceedings at any time while the individuals involved are students at the University. The University is committed to dealing expeditiously and vigorously with instances of rape and sexual assault and to protecting the anonymity and confidentiality of the victim in this community.

SEXUAL HARASSMENT

The University seeks to maintain a learning and work environment free from sexual harassment. Sexual harassment is a barrier to the educational, scholarly, and research purposes of the University.

The determination of what constitutes sexual harassment will vary with the particular circumstances, but it may be described generally as unwanted sexual behavior, such as contact or verbal comments or suggestions, which adversely affects the working or learning environment of an individual.

Any member of the Wake Forest community who believes that he or she has been sexually harassed is encouraged to bring the matter to the attention of an appropriate officer of the University. Problems, questions, and grievances can be brought to and discussed with anyone in a supervisory position. Some administrators, who may be especially helpful in advising and aiding a person's own efforts to resolve a problem, are the dean of the school involved, the dean of student services, the equal opportunity officer, the University Counseling Center, or PREPAR.

ADMINISTRATIVE WITHDRAWAL

A student may be subject to administrative withdrawal from the University when, in the judgment of the director of Student Health Service, the director of the counseling center, or the dean of student services and with the concurrence of the vice president

of student life and instructional resources, the student:

- a. engages, or threatens to engage, in behavior that poses a significant danger of causing imminent physical or psychological harm to self or others, or
- b. directly and substantially impedes the activities of members of the University community, including other students, University employees and visitors.

The standards and procedures to be followed are on file in the offices of the vice president for student life and instructional resources and the dean of student services.

ALCOHOLIC BEVERAGE:

Students are subject to all state and local regulations concerning the use of alcoholic beverages. Public intoxication, consumption, or display of liquors, wines, or beers in residence halls or elsewhere on campus is prohibited. Furthermore, unbecoming behavior or any conduct violation committed by a student under the influence of alcohol will be dealt with in a serious manner.

The North Carolina law concerning the purchase and possession of alcoholic beverages was changed, effective September 1, 1986. The minimum age for the possession of any alcoholic beverage is twenty-one. The other provisions of the law are:

1. It is unlawful for a person under twenty-one to purchase, to attempt to purchase, or to possess any alcoholic beverage.
2. If a person, who is under the lawful age to purchase, aids or abets another in violation of (1), it is a misdemeanor punishable by a fine of up to \$500 or imprisonment for not more than six months.
3. If a person, who is over the lawful age to purchase, aids or abets another in violation of (1), that person is guilty of a misdemeanor punishable by a fine of up to

\$2,000 or imprisonment for not more than two years.

4. It is unlawful to use identification fraudulently or to allow another person to use one's own identification fraudulently to obtain alcoholic beverages illegally.

Persons of legal age may consume alcoholic beverages in the following locations: residence hall rooms, University apartments, leased lounges (members and guests only), suite/hallway lounges (residents and guests only), and satellite and theme houses (residents and guests only in North Hall and Poteat Hall). In addition, persons of legal age may consume alcohol on leased patio areas after 5 p.m. on weekdays and after noon on Saturday and Sunday. The consumption of fortified wines, distilled liquors, and liqueurs having an alcohol content of more than 18% by volume is permitted only in private residence hall rooms by persons of legal age.

A legal-age student who transports alcohol anywhere outside of an area within which consumption has been approved must cover the closed containers in the original packaging, a bag or cooler.

Individuals consuming alcoholic beverages at a registered social function have additional rights and responsibilities as stated in the University Alcohol Policy. Copies of the full policy are available in the Office of Residence Life and Housing.

Alcohol, liquors, wines, or beer may not be consumed or displayed in classroom buildings, Benson Center, Reynolda Hall, the library, the gymnasium, Wait Chapel, Wingate Hall, areas outside buildings—including lawns, courtyards, and balconies—grounds and buildings of Reynolda Gardens, all residence hall formal parlors, common lounges, sun decks and patios. Wine or beer may be consumed by persons of legal age at registered social functions in leased lounges and other designated areas, with the approval of and under the guidelines set by the associate vice president/dean of student services or his designate.

The sale of alcoholic beverages is prohibited on the Reynolda Campus except for sales by ARAMARK or an approved licensed vendor.

The use of alcoholic beverages as a prize in any type of contest is prohibited. Beer slides, drinking contests, and drinking contest paraphernalia are also prohibited.

Individuals who violate University regulations or state law will be dealt with in the following manner:

- A. A report will be filed with the associate vice president/dean of student services.
- B. An administrative hearing will be held with the associate vice president/dean of student services or his designate.
- C. A letter of notification and call may be made to parents or guardians.
- D. The individual may be required to attend an alcohol education session and/or a chemical dependency assessment.
- E. The individual may be required to have a professional assessment at his/her own expense to determine the degree of harmful chemical involvement. Treatment recommendations from the substance abuse specialist or facility will be included in the ultimate disposition of the judicial case by the dean of student services or judicial adviser.
- F. The recommended range of penalties is:
 1. monetary fine
 2. community service
 3. social probation, terms to be established by the dean of student services (e.g., not permitted to pledge to a fraternity or sorority for one semester, not permitted to hold a student leadership position)
 4. loss of right to register an automobile
 5. lower housing priority
 6. loss of housing
 7. mandatory referral
 8. a combination of the above
 9. suspension
- G. Students who use false identification to represent themselves will be referred to the judicial adviser.
- H. No sanctions will be imposed simply for seeking medical assistance for intoxication, drug overdose, or related injuries, at the Student Health Service.

Organizations or groups sponsoring social functions with alcohol must register and receive approval for such events in the Office of Residence Life and Housing (three working days in advance). A social function or party is defined as a planned event which has guests, refreshments, and entertainment. Organizations that sponsor social functions are responsible for upholding both University regulations and North Carolina laws concerning the use of alcohol. Such registered functions are required to follow the procedures outlined in the University Alcohol Policy entitled Organizational Regulations. Group violations of the state law and University Alcohol Policy will be handled through the group judicial process in the Office of the Associate Vice President/Dean of Student Services and/or the Office of Residence Life and Housing. Copies of the University Alcohol Policy are available in the office of residence life.

Substance abuse, especially alcohol abuse, is a significant problem on university campuses. Wake Forest is no exception. The University has established a community standard that abusive drinking will not be tolerated here.

Abusive drinking at Wake Forest is defined by the dean's office in the following way:

1. Use of alcohol which leads to medical consequences such as passing out, blackouts (loss of memory), gastritis (vomiting, retching), physical injuries, hepatitis, or other medical problems.
2. Use of alcohol in association with inappropriate behavior such as:
 - verbal abuse
 - physical abuse
 - failure to comply with a University official
 - property damage
 - any behavior that violates the personal conduct code of the University

- 3. Recurring episodes of intoxication.
- 4. A single episode of intoxication in which the dean of student services or his designee believes that the level of intoxication posed a risk to the student's health or well being.

The University recognizes the potential harmful effect that substance abuse can have on the lives of individual members within the Wake Forest community. To that end, the University has adopted a Substance Abuse Policy and Program which addresses the issues of identification, confidentiality, education and treatment and penalties for violation of the policy. The status of any student will not be jeopardized for conscientiously seeking early assistance in the recovery from substance abuse impairment. Students who are identified as possibly having a problem and who are referred to the health educator for assessment may be required to participate in an education and treatment program. To the extent possible, complete confidentiality will be maintained with students seeking assistance and treatment.

A. STANDARDS OF CONDUCT

Wake Forest University is unequivocally opposed to alcohol and substance abuse and the unlawful possession, use or distribution of drugs by students on the university's property or as any part of the University's activities. Any illegal possession, distribution, and use of alcohol and/or controlled substances are prohibited by the University.

B. STATE AND FEDERAL SANCTIONS

The local, state, and federal laws provide specific penalties for drug and narcotics offenses. Article 5 of Chapter 90 of the North Carolina General Statutes makes it unlawful for any person to manufacture, sell or

deliver, or possess with intent to manufacture, sell or deliver those drugs designated collectively as "controlled substances." The punishment includes a term of imprisonment as well as a substantial fine.

The federal law makes it unlawful for any person to manufacture, distribute, create, dispense or to possess with the intent to manufacture, distribute, or dispense controlled substances. Title 21 of the United States Code provides terms of imprisonment and fines for violations of this act. The nature of the offense and whether the person has committed any previous unlawful acts under this statute will determine the term of imprisonment as well as the amount of the fine.

The penalties for violations of alcoholic beverage regulations are found in Chapter 188 of the North Carolina General Statutes. Such penalties include terms of imprisonment and heavy fines.

C. HEALTH RISKS

Wake Forest University recognizes that the state of an individual's overall health affects academic performance, job performance, and all facets of a student's life. Alcohol and substance abuse rank as one of the major health and economic problems in this society. The use of the stimulants—cocaine, crack and ice—includes such health risks as central nervous system dysfunctions, convulsions, hypertension, heart irregularities, nasal destruction, and a potential for sudden death. A longer-lasting paranoia and unpredictable violent behavior have been associated with the use of ice. Apathy, decreased visual perception, impaired psychomotor skills, and memory loss may be associated with the use of marijuana.

Alcohol is a sedative affecting the central nervous system. In addition to intestinal disorders and liver disease, the abuse of alcohol may lead to unpredictable behavior, the impairment of judgment, dangerous mob activities such as drinking games, and unwanted sexual behavior (acquaintance rape). The misuse of alcohol has given rise to unwanted pregnancies

and a greatly increased number of sexually-transmitted diseases.

D. TREATMENT AND REHABILITATION PROGRAMS

The Substance Abuse Program, revised in March 1989 and April 1994, provides a protocol for counseling and treatment of a student identified as having a substance abuse problem. Consultation and assessment with a substance abuse counselor may be required following the report of an incident or the awareness of a problem involving drugs or alcohol abuse. The program sets forth the consequences of violating the treatment and rehabilitation plan. The continued or repeated abuse of substances following initiation into this program will constitute grounds for further disciplinary action by the University.

E. UNIVERSITY SANCTIONS

Disciplinary proceedings against a student will be initiated in accordance with the judicial procedures of the appropriate undergraduate or graduate school. When there is a reasonable basis for believing that the person has violated this policy or North Carolina law pertaining to controlled substances and the alleged conduct is deemed to harm the interests of the University, disciplinary action will be instituted. It should be noted that though an offense may be the subject of legal action by the civil authorities, University officials are free to initiate disciplinary actions that may result in additional penalties.

Penalties

Penalties may range from written warnings with probationary status to expulsions from enrollment. The following minimum penalties will be imposed for the particular offenses described:

- **Trafficking in Illegal Drugs** The term “trafficking” is used in its generic sense, not in its specific application to selling,

manufacturing, delivering, transporting, or possessing controlled substances in specified amounts that is the subject of North Carolina General Statute 90-95 (h).

For the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver, of any controlled substance identified in Schedule I, N.C. General Statutes 90-89, or Schedule II, N.C. General Statutes 90-90 (including, but not limited to, heroin, mescaline, lysergic acid diethylamide, opium, cocaine, amphetamine, methaqualone), a student will be expelled.

For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sell or deliver, of any controlled substance identified in Schedules III through VI, N.C. General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, phenobarbital, codeine), the minimum penalty is suspension from enrollment or from employment for a period of at least one semester or its equivalent.

- **Illegal Possession of Drugs** For a first offense involving the illegal possession of any controlled substance identified in Schedule I or Schedule II, N.C. General Statute 90-91, the minimum penalty is suspension.

For a first offense involving the illegal possession of any controlled substance identified in Schedules III through VI, N.C. General Statutes 90-91 through 90-94, the minimum penalty is suspension. A person returning from suspension will be on probation for at least one semester. A person on probation must agree to participate in a drug education, drug assessment and/or counseling program at his/her own expense, consent to regular drug testing at his/her own expense, and accept such other conditions and restrictions, including a program of community service, as the vice president for student life and instructional resources deems appropriate. Refusal or failure to abide

by the terms of probation will result in suspension from enrollment or from employment for any unexpired balance of the prescribed period of probation.

For second or other subsequent offenses involving the illegal possession of controlled substances, progressively more severe penalties will be imposed, including expulsion of students.

When a student has been charged by the University with a violation of policies concerning illegal drugs, he or she may be suspended from enrollment before initiation or completion of regular disciplinary proceedings, where the student's continued presence within the University community would constitute a clear and immediate danger to the health or welfare of other members of the University community. If such a suspension is imposed, an appropriate hearing of the charges against the suspended person will be held as promptly as possible.

The vice president for student life and instructional resources will submit to the president of the University a report on campus activities related to illegal drugs for the preceding year. The president will forward this report to the Board of Trustees. The reports will include, as a minimum, the following: (1) a listing of the major education activities conducted during the year; (2) a report on any illegal drug-related incidents, including any sanctions imposed; (3) an assessment by the president of the effectiveness of the campus program and sanctions and; (4) any proposed changes in the policy on illegal drugs.

Hazing in any form by any organization is strictly forbidden by the University and prohibited by state law. Hazing is defined as any planned or created situation, on or off campus, that is demeaning to an individual; produces mental, emotional, or physical duress, harassment, or ridicule; or which threatens or endangers the health,

safety, and well-being of any person. Activities and situations considered hazing include paddling in any form; creation of excessive fatigue; morally degrading or humiliating games and activities; late-work sessions which interfere with studying; and any other activity which is inconsistent with the policies and regulations of Wake Forest University. Pledging activities must not interfere with any pledge's class attendance and class preparation. Any fraternity, sorority, or other student organization found guilty of hazing will be subject to serious disciplinary action. Questions about what constitutes hazing should be addressed to the dean of student services.

RESIDENTIAL NOISE POLICY

The residential environment is one meant to be supportive of the academic mission and focus of the University. As such, noise or other activities which are excessively loud or bothersome to other people is strictly prohibited. As a result, "quiet hours" are in effect in all residential facilities daily (Sunday-Friday) from 10 p.m. to 8 a.m. and again on the weekends from 2 a.m. to noon (Saturday and Sunday). Loud or excessive noise is strictly prohibited during these hours. Please note that any noise that is considered to be bothersome to others (i.e., noise that is generally above normal conversational level) will be considered loud and excessive. Personal amplification systems, including stereos and radios, may not at any time be played loudly, be placed in residence hall windows, or be used with the intention of entertaining persons outside the resident's or organization's room space. Sanctions and a detailed description can be found in The Guide to Community Living.

All on-campus sales and solicitations must be operated or sponsored by a University-recognized student organization and must receive the proper authorization. Sales and solicitations in other public and common areas on campus must be approved by the director of student development.

- Campus Vision (4869)
- Old Gold and Black (5280)

- WAKE TV (4298)

Remember to contact these media sources with your activity/event information at least two weeks in advance.

Upon matriculation in Wake Forest College, each student receives a copy of the current undergraduate bulletin of Wake Forest University. This bulletin is a very important document, containing the institution's most recent policies governing students' academic programs and pertinent administrative matters. Students are expected to be familiar with the contents of the bulletin since it represents the substance of their contractual relationship with the University. All students should keep the copy issued in their first year as a reference throughout their undergraduate career.

GREEK ORGANIZATIONS

Greek organizations provide leadership opportunities, competitive athletics and academics, community service, the commitment to brotherhood and sisterhood, and (of course) many social opportunities.

Wake Forest observes a policy of deferred Rush. First-year students may not participate in Rush during the fall semester, and they must achieve a minimum 2.0 GPA in their first semester if they wish to rush in the spring. The Rush period lasts approximately two weeks, at which time the participants meet the members and learn more about each individual organization. The University also specifies that all Rush functions must be “dry,” or free of alcoholic beverages. “Bids” are extended to the rushees who are accepted as potential members. The entire Rush period culminates on Pledge Day.

WRITING CENTER

*117 Reynolda Hall, (5768)
Thomas McGohey, director*

The primary purpose of the Writing Center is to offer students a place where they can discuss their writing assignments and writing processes with trained tutors as an audience. The aim is to enable students to become critical readers of their own work. Tutors help students learn to evaluate, correct, and edit their own work.

Help is available during every stage of the writing process, including: generating ideas and settling on a topic; organizing ideas in a paper; developing support for arguments; learning to revise drafts; and learning to identify and to correct errors in grammar and punctuation. All tutoring is done in the Writing Center during regularly scheduled hours.

Students are self-referred or may be recommended by a faculty member. Students may drop in for assistance or sign up for an appointment, and according to their diagnosed needs, may be expected to establish a regular schedule in the Writing Center.

Wake Forest University celebrates the Year of Globalization and Diversity: Conflict or Harmony, with a series of speakers, events and activities during the 1998-99 academic year. The year explores the challenges and problems of a more global community and the ways in which various cultures enrich one another, as well as exploring cultural diversity worldwide.

The year begins with Opening Convocation on Sept. 17 with Oscar Arias Sanchez, former president of Costa Rica, who won a Nobel Peace Prize in 1987 for his efforts to bring peace to Central America. Also that month, Benjamin Barber, a political philosopher and theorist from Rutgers University, will discuss the challenges and problems raised by globalization.

September begins the year with an overall look at Globalization and Diversity. October's theme will be Issues of Identity and includes an outdoor ethnic heritage festival featuring food and music. November's theme, Cross-Cultural Communications, includes a panel discussion with journalists on how the media influences perceptions of countries in the news. An Earth Day celebration is planned on April 22 for that month's theme, the Environment. Other themes are Human Rights, January; War & Peace, February; and Health & Aging, March.
